

## ReadingKEY Vocabulary Test

**Directions:** Use this test to determine student mastery of Grade 4 and readiness to begin Grade 5 ReadingKEY. Words are a review of Grade 4 ReadingKEY vocabulary. Although there are 10 words in each column, you will randomly test only five words. Give a "definition clue" for each word you choose to test (*for details on definition clues go to [www.readingkey.com/definitionclues](http://www.readingkey.com/definitionclues)*). Score each correct answer 4 points (80 points total).

### Sentence Writing Test

**Directions:** Write a sentence for the three words below. Sentences should help readers understand the actual meaning of the word. Sentences must also contain at least 7 words and not begin with the word "I."

Sentences will be scored from 0-8 points each with higher scores being given to sentences that help readers understand the meaning of the word. Higher scores also given to sentences that begin with nouns, verbs or the word "The." Students can also write the definition of the word if they would like instead. Combining the word and sentence scores allows for a maximum of 104 points.

1. miniature: \_\_\_\_\_

2. progress: \_\_\_\_\_

3. deliberate: \_\_\_\_\_

**Timed Reading:** An additional grade for the weekly test can be given for how fast (fluently) each student can read all five columns of words. Use a stopwatch, cell-phone stopwatch or watch timer to time student on how fast the 5 columns are read. Classroom students can be tested while they are completing the sentence writing section of this test. Incorrect words should be circled and put into additional sentences. Every 3 incorrect words lowers letter grade by one letter.

- A = 40 seconds or less
- B = 41-50 seconds
- C = 51-60 seconds
- D = 61-80 seconds
- F = Over 80 seconds
