**Dear Parent:** The following list shows the reading vocabulary words your child is working hard in learning this week. In order to maintain satisfactory reading progress, it is very important your child master the words below. Although we practice these words daily at school, parents can contribute greatly to the memorization process by helping for a few minutes daily. Please practice the special memorizing steps below with your child each day. It requires only 5-10 minutes and will contribute greatly to your child’s individual reading vocabulary progress.

<b>STEP 1</b> Practice words below. Student must be able to say the five list words with no errors 3 times before moving to STEP 2.	<b>STEP 2</b> Practice words below.
